### Administrative Summit and 7030 Review

#### In this issue:

ADA Administrative Summit Next Steps  
Let's Collaborate and UIF 2018  
7030 Task Group Tackles Review  
Call for Bits and Bytes Submissions

#### **ADA Administrative Summit Next Steps**

According to the American Dental Association (ADA), administrative burden and paperwork is an ever-increasing issue for its members. As a result, the ADA held a first-of-its-kind Administrative Efficiencies Summit to identify solutions to this issue. Review the [ADA Administrative Summit Next Steps](#) that resulted from the discussion. You can read more about the summit, [here](#).

#### **Let's Collaborate at UIF 2018**

Gain a competitive edge in the dental industry by joining us at NDEDIC's 2018 *Uniting the Industry Forum (UIF)* taking place November 8-9, 2018 in Dallas, TX. The Forum helps promote the effective collaboration of dental stakeholders, while educating and uniting the industry around usable standards for dental EDI transactions.

#### **7030 Task Group Tackles Review**

NDEDIC has created a new task group of

volunteers to tackle changes to the 270/271, which is under review until November 2018. If you'd like to participate, please [email us](#). [Learn more](#)

## Call for Bits and Bytes Submissions

You are cordially invited to send submissions to the NDEDIC Bits & Bytes Enews. We are looking for industry-related articles that help the EDI industry. If you would like to contribute, please send us your article to Tiarra Earls Haas at [Tiarra@sossolutions.org](mailto:Tiarra@sossolutions.org).

### Article Guidelines

Bits & Bytes is a weekly e-newsletter. We share information on NDEDIC events and membership benefits as well as articles on the EDI industry.

### Suggested topics:

- Dental EDI
- Oral Health
- Wellness
- Leadership
- Processing Efficiencies
- Industry Events Highlights

Article Length Suggested submission length is from 300 to 2500 words. Please submit a headshot/photo with your article.
