Submission Deadline

Deadline for Submission: December 21, 2018
Submit to: Laurie Williams at ndedic@ndedic.org

Audience

The NDEDIC EDI Summit brings together a successful network of leaders in the dental industry working together to transform the business of dental care through use of electronic commerce.

Attendees represent all segments of the dental industry including, payers, clearinghouses, practice management software vendors, dentists/dental office staff, industry consultants, industry-related associations and more.

Conference Topics

A broad offering of topics will be presented at the 2019 EDI Summit. Past attendees have expressed interest in hearing presentations on the following (while **the list is not all-inclusive**, it does provide potential speakers with insight into topics of interest):

- Real Time Pre-Treatment Estimates
- Status of Attachments – adoption
- Time Management and Delegation
- How can you calculate days outstanding/AR days by using 835 files?
- Reduction of Contact Center calls, improvement in auto-adjudicated electronic claims
- 7030 Updates
- CAQH Phases of Certification
- Operations
- Cybersecurity and safety of PHI
- One stop all-payor credentialing. How to do less and stay compliant.
- Will the future combine dental and medical data? Will standalone dental plans and wellness programs reduce claims costs with improved health outcomes?
- Can you calculate ROI on wellness initiatives via data? E.g. Medical savings realized by improving oral health
